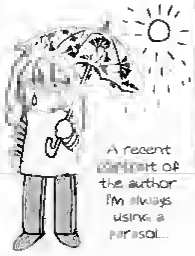
SFX: SHOCK
What now? What now? What now? What...?
MORNIN'
ABOUT YESTER-DAY...
TOMO-KA.
Aha-haha-ha!!!
YEAH, IT SUCKED THAT THE TRAIN WAS DELAYED!!
Y-... YESTER-DAY!?

This is Shiina Ayumi. It's so hot every day I'm about to explode. (It's July right now.) I hate summer. My skin is very sensitive, so I have to wear long sleeves even when it's hot. It makes me not want to move at all. This year it rained quite a bit, but last year there was a water shortage, so it was awful. The apartment I moved into recently faces west, so the evening sun is always burning right in. And there are rice paddies all around, so the frogs make too much noise.



A recent portrait of the author. I'm always using a parasol...

Sorry for complaining so much from the very beginning. This is the last volume of "Aneta to Scandal". I managed to finish its two-year serialization safely (?). I have many regrets (Yeah, really many (lol)) but I think I managed to accomplish a minimal amount of things I wanted to do with this. I'm not sure if I'm happy or sad that it's over. Maybe 30% happy and 70% sad...

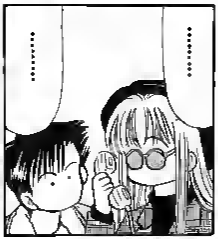
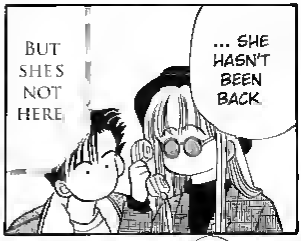
I'M FEELING KINDA NER-VOUS .
HEY, WHO ARE YOU CALLING?
SERIKA'S HOUSE.. ARATA AND TOMOKA ARE FINALLY STARTING TO GET TOGETHER, BUT ALL OUR EF-FORTS WOULD BE WASTED IF TO-MOKA SAW SERIKA
So I'll warn her
.....

I've really grown to love the characters of this manga. While I was drawing, I often got mad at them too though.

I planned on not drawing any side stories, but in the end things between Take and Serika weren't settled, so I decided to draw just one side story (It's contained in this volume.) But in the end, things still aren't settled. (lol) Also, Tomoka is always looking at Arata with pity, but in the side story I wanted to try writing it the other way around. But it didn't really go well. I'm sorry.





THE NUMBER YOU'VE DIALED IS CURRENTLY NOT IN USE
Eh?
This can't be! If she were back, why didn't she contact us!?
Try calling her apartment!

DID YOU GET THE WRONG NUMBER?
OF COURSE NOT..
THE NUMBER YOU'VE DIALED IS CURRENTLY NOT IN USE..
CAN'T WE...
STAY THE WAY WE ARE NOW?
I LIKE IT THIS WAY.
I DON'T WANT OT DESTROY THE FRIEND-SHIP OF OUR GROUP.

ARATA-KUN..!
I DON'T KNOW WHAT POSSESSED ME YESTERDAY.
I'm so embarrassed!
FOR-GET ABOUT IT!
AND...
I'M SORRY FOR EVERY-THING...
Huh!?

"I'm sorry..."
I CAUSED YOU A LOT OF WORRYING
I WON'T SAY ANYTHING THAT WILL TROUBLE YOU ANYMORE.
PLEASE BE MY FRIEND... FROM HERE ON OUT AS WELL.

IF YOU'RE EVER IN TROUBLE, YOU CAN ALWAYS TALK TO ME.
EVEN IF IT'S ABOUT LOVE AND STUFF.
Ah, but not right away, okay?

What I wanted to say, was...
ARATA-KUN!?
Huh!? Tomoka!!

SFX: GLANCE GLANCE

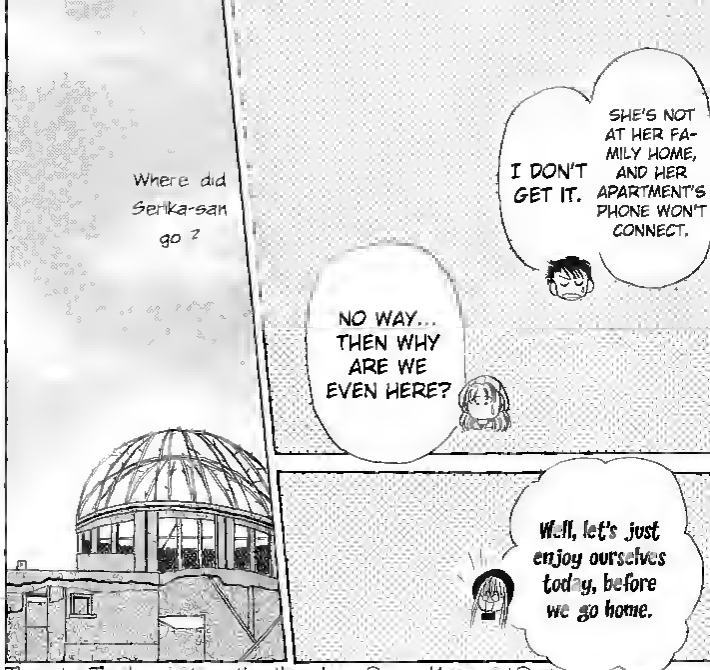
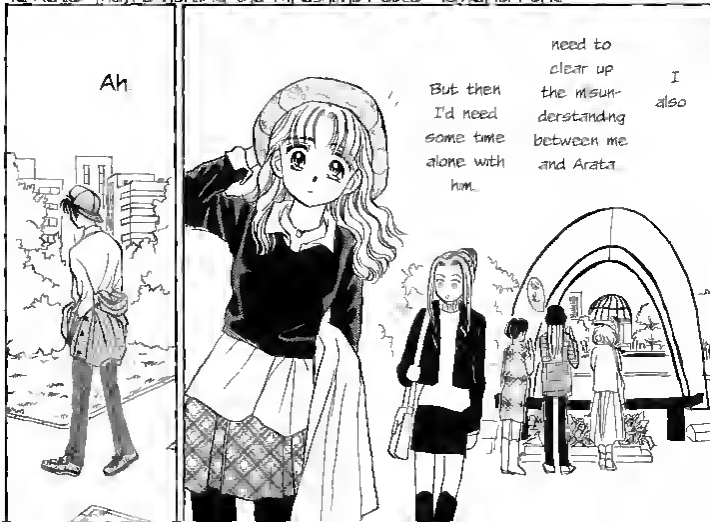
SHE'S MISS-ING!?



Where did Serika-san go?
I DON'T GET IT.
SHE'S NOT AT HER FAMILY HOME, AND HER APARTMENT'S PHONE WON'T CONNECT.
NO WAY... THEN WHY ARE WE EVEN HERE?
Well, let's just enjoy ourselves today, before we go home.

TL note: They're visiting the Hiroshima Peace Memorial Park.



SFX GRAB
This is my chance!
WHAT DO YOU PLAN TO SAY?
IF YOU CAN ONLY RESPOND TO HIS FEELINGS HALF-HEARTEDLY..
IT'S BETTER TO BE BLUNT AND JUST TURN HIM DOWN!
NO WAY... I COULD NEVER DO THAT..
DON'T YOU GET IT?
YOU'RE TYING HIM DOWN RIGHT NOW.

Like this, he can't move forward or go back!
Don't occupy him if you're not seriously interested!

Tomo-ka!?
I... I DID NOT...
MEAN TO...

Well then let me answer to the requests I got after volume 4. I was really happy I got so many reaction to the bonus pages (I'm a LUNASEA fan.) I was surprised to learn that there are many people only reading this manga through the collected volumes not the magazine. Many readers were high school students or older. It must be embarrassing to buy the "ribbon" magazine when you're a little older, huh. (I bought it for myself until I was a senior in high school.) I'd love to hear your thoughts on this manga after you've read all 5 volumes. Anyways, request number 1

I want to see Tamotsu's girlfriend!

...it said

I was kinda scared of the fanletters the month I revealed that Tamotsu has a girlfriend. Many people wrote it in imperative form, like they were ordering me to "show her!"

Tomo-ka!?

Hey... What happened?

HUH? WHAT'S UP WITH THEM?

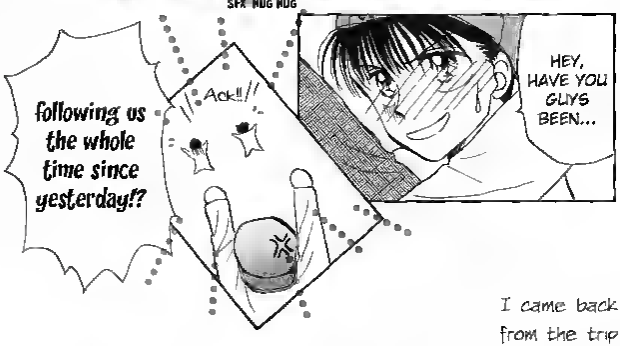
I GUESS WE'RE GOING HOME SEPARATELY...

SEEMS LIKE... THEY WANT TO HAVE SOME GIRLS' TIME.

RIGHT NOW, IT HURTS ME...

JUST TO LOOK AT HER FACE.

OH, I SEE. THAT'S A RELIEF.



I came back from the trip feeling awful

YOU'RE A REALLY NICE GUY.
She's such a groupie
BY THE WAY, HAVE YOU SEEN TAKE?
HE JUST DIDN'T FEEL LIKE BUYING HER A REAL PRESENT
HE HASN'T BEEN COMING TO SCHOOL FOR OVER A WEEK.
APPARENTLY HE SAID HE WAS GOING ON A TRIP, BUT HE DIDN'T EVEN TELL HIS PARENTS WHERE HE WENT.

FIRST SERIKA-SAN, AND NOW TAKE-CHAN!?
They're both missing.
WE CAN'T ENTER THE COMPE-TITION THIS WAY...
OUR BAND MIGHT EVEN BREAK UP.
A COMPE-TITION!?
THERE'S ANOTHER ONE?
YEAH, THE CEO TALKED TO ME ABOUT IT
SHE SWORE IT WON'T BE RIGGED THIS TIME.
I told her I'd come over to talk when the whole band's together again.
DON'T MAKE IT SOUND LIKE I'M ROBBING YOU.
I DON'T HAVE ANY MONEY.
I WON'T.. IF I DON'T HAVE THE BAND ANYMORE..
I WON'T HAVE ANYTHING LEFT.

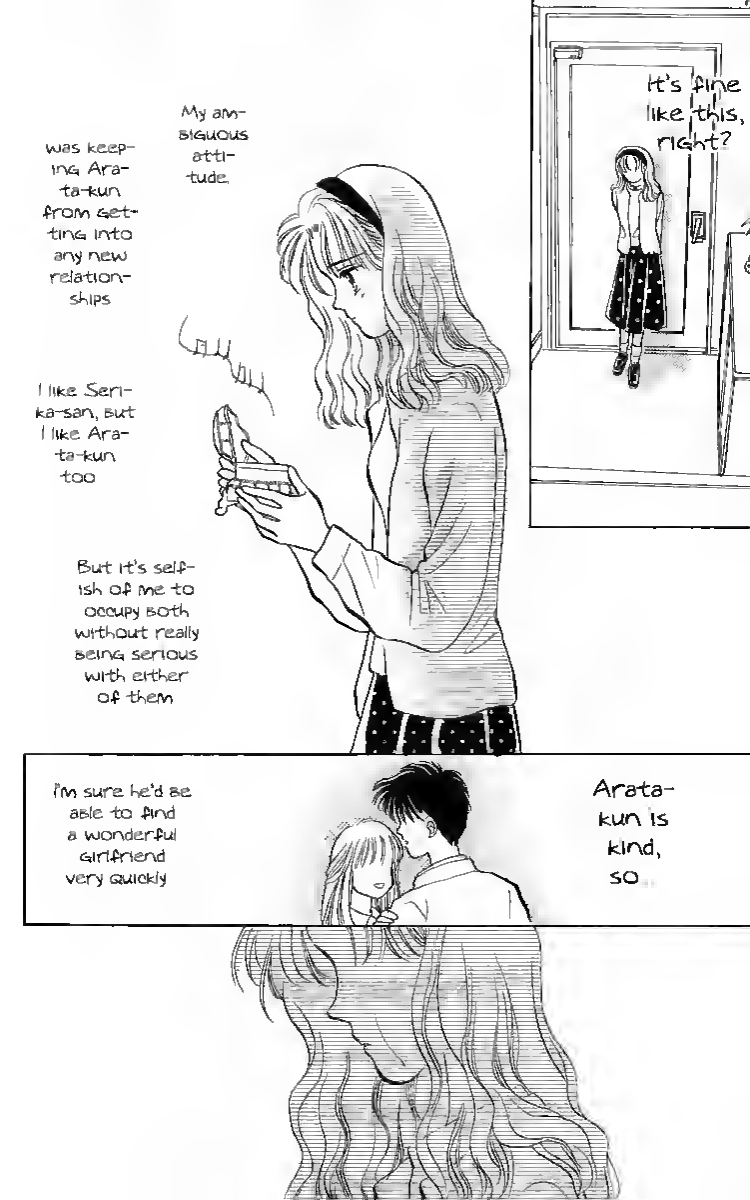
GOOD NIGHT...



was keeping Arata-kun from getting into any new relationships
My ambiguous attitude
It's fine like this, right?
I like Serika-san, but I like Arata-kun too
But it's selfish of me to occupy both without really being serious with either of them
I'm sure he'd be able to find a wonderful girlfriend very quickly
Arata-kun is kind, so...
